Dear Rhonnie Thompson,

This is to acknowledge receipt of your Letter of Protest/Comments to the Public Service Commission of South Carolina. Your Letter of Protest/Comments has been placed in the Protest File of the Dockets listed below and on the Commission's Website at www.psc.sc.gov.

Docket No. 2016-223-E - Petition of South Carolina Electric & Gas Company for Updates and Revisions to Schedules Related to the Construction of a Nuclear Base Load Generation Facility at Jenkinsville, South Carolina.

Docket No. 2008-196-E - Combined Application of South Carolina Electric & Gas Company for a Certificate of Environmental Compatibility and Public Convenience and Necessity and for a Base Load Review Order for the Construction and Operation of a Nuclear Facility in Jenkinsville, South Carolina

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

According to the Commission's Rules of Practice and Procedure, filing a Protest does not make you a Party of Record. A Protestant desiring to become an Intervenor (i.e., a Party of Record) in a proceeding before the Commission may file a Petition for Intervention within the time prescribed by the Commission.

With this email, I am also forwarding your email to the Office of Regulatory Staff for response to your concerns.

If we may be of further assistance to you, please do not hesitate to contact us.

Sincerely,

Deborah Easterling
Executive Assistant

1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I'm a SCE&G customer who has been affected by SCANA rate increases.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I find it appalling that SCANA is allowed to swindle its customers out of billions via rate increases without consequence. What are you going to do to insure this debacle never happen again? What type of fine or punishment will SCANA receive. I seek the following remedies:

1. Refund of rate hikes to customers.
2. SCANA not allowed to receive rate hikes for nine consecutive future requests.
3. Prevent SCANA from paying share holder dividends in the amount equal to the rate increases.

This is simple wall street embezzlement and this Commission is complicit.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *

No.

I can not afford to take a day off from work. I've got to pay a \$200.00 to 300.00 electric/gas bill resulting from the 9 rate increases SCANA received.
